Do you like card games or board games?

We'll play a card game called "Jok-R-ummy" - it's like rummy, But a little different.

The board game will be "Ticket to Ride" which is a cross-county adventure connecting cities by laying claim to railway routes on a map of North America.

Other games will be added as needed.

Instruction on how to play the games are on line.

If you have a favorite game, contact the facilitator to schedule it.
