

PC MADE EASY

Copy at: <http://chicoclasses.org/More%20Information/03Computer/0.pdf>

I have a correspondent class for smart people that what to lean about a PC with Microsoft Windows 10 operating system.

Get me your name, home address & email address by:

- Email to olliaugros@gmail.com
- Letter to Bill Augros, PO Box 130, Forest Ranch, CA 95942
- Phone to 895-9229

I will send you by US Postal Service classes on how to use your computer.

In return I expect you to feedback to me your question & problems.

Also, let me know if the level of the material is above you, below you or right on.

Your feedback can be by email, letter or phone.

If your contact is by letter or phone, I assume you do not know how to send email.

I will send you a lesson on how to send email.

All the classes will be sent to you by letter.

If you have a printer, request the classes by email with a printable attachment.

As I receive feedback about the lessons, I will revise them & send out new copies.

Each lesson has an update on them. Old dated lessons are to be discarded.

The latest lessons are on the web site: www.ChicoClasses.org

Left click on “Computer Lessons” at the top of the window

<http://chicoclasses.org/More%20Information/03Computer/00.html>

Lessons from the web site can be down load to your computer & saved in a folder.
